

# My Chemical Romance - This Is How I Desappear

Tom: C

**Bm** **Am**  
To un-explain the unforgivable,  
**Fm** **Dm** **A**  
Drain all the blood and give the kids a show.  
**Bm** **Am**  
By streetlight this dark night  
**Fm** **Dm** **A**  
A séance down below.

**Bbm** **Am**  
There're things that I have done,  
**E** **Am**  
should never know!

**Am** **Bm** **Dm** **Gb** **Bm**  
And without you is how I disappear,  
**F** **Am** **E**  
And live my life alone forever now.  
**Am** **Bm** **Dm** **Gb** **Bm**  
And without you is how I disappear,  
**F** **Am** **E** **F**  
And live my life alone forever now.

**Bm** **Am**  
Who walks among the famous living dead,  
**Fm** **Dm** **A**  
Drowns all the boys and girls inside your bed.

**Bbm** **Am**  
And if you could talk to me,  
**E** **Am**  
Tell me if it's so,

**Bbm** **Am** **E** **Am**  
That all the good girls go to hea--ven  
**Fm** **Am**  
Well, heaven knows

**Am** **Bm** **Dm** **Gb** **Bm**  
And without you is how I disappear,  
**F** **Am** **E**  
And live my life alone forever now.  
**Am** **Bm** **Dm** **Gb** **Bm**

And without you is how I disappear,  
**F** **Am** **E** **F**  
And live my life alone forever now.

**Cm** **C** **Dm** **Am**  
Can you hear me cry out to you?  
**Cm** **C** **Dm** **Am**  
Words I thought I'd choke on figure out.  
**C** **D** **Am**  
I'm really not so with you anymore.  
**E**  
I'm just a ghost,  
**C** **G**  
So I can't hurt you anymore,  
**C** **E**  
So I can't hurt you anymore.

**Am** **C** **F** **E**  
And now, you wanna see how far down I can sink?  
**C** **Fm** **E**  
Let me go, fuck!  
**Am** **Cm** **F** **E**  
So, you can, well now so, you can  
**Am** **Cm** **F** **E**  
I'm so far away from you.  
**Am** **Bm**  
Well now so, you can.

**A** **Bm** **Dm** **Gb** **Bm**  
And without you is how I disappear,  
**Am** **Bm** **Gb** **Bbm**  
And without you is how I disappear,  
**Bbm** **E** **Am** **Gm**  
Whoa whoa... (And without you is how I disappear)  
**G** **E**  
Whoa whoa... (And without you...)  
**Fm** **Gb** **Bm**  
Forever, forever now!

hope you enjoyed it
