

My Chemical Romance - Welcome To The Black Parade

Tom: G

G D
When i was a young boy
Em D
My father took me into the
C G C D (D)
City to see a marching band

G D
He said, "son when you grow up
Em D C G C
Would you be the saviour of the broken, the beaten and the
damned?"

G D
He said "will you defeat them
Em D C G
Your demons, and all the non believers, the plans that they
have made?"

G D
Because one day i'll leave you
Em D
A phantom to lead you in the
C G C
Summer, to join the black parade"

(G D Em D C G D)

G D Em C
Sometimes i get the feeling she's watching over me
G C D (D)
And other times i feel like i should go
G D Em D
And through it all, the rise and fall, the bodies in the
streets
C G D
And when you're gone we want you all to know

G
We'll carry on
Em
We'll carry on
C G
And though you're dead and gone believe me
D
Your memory will
G
Carry on

Em
We'll carry on
C G
And in my heart i can't contain it
D
The anthem won't explain it

G D Em C
A woman sends you reeling from decimated dreams
G C D
Your misery and hate will kill us all
G D
So paint it black and take it back
Em D
Lets shout it loud and clear
C G
Defiant to the end
D
We hear the call

G
To carry on
Em
We'll carry on
C G
And though you're dead and gone believe me
D
Your memory will
G
Carry on

Em
We'll carry on
C G
And though you're broken and defeated
D
Your weary widow marches
C Em
On and on we carry through the fears
Ooh oh ohhhh
D Em
Disappointed faces of your peers
Ooh oh ohhhh
C D
Take a look at me cause i could not care at all

G
Do or die
D
You'll never make me
Em D
Because the world, will never take my heart
C G
You can try, you'll never break me
D D G
You want it all, you wanna play this part

G
I won't explain or
D
Say i'm sorry
Em D
I'm unashamed, i'm gonna show my scars
C G
Give a cheer, for all the broken
D
Listen here, because it's who we are

G D
I'm just a man, i'm not a hero
Em D
I'm just a boy, who's meant to sing this song
C G
I'm just a man, i'm not a hero
D D D
I -- don't -- care

G D
We'll carry on
Em D
We'll carry on
Am C
And though you're dead and gone believe me
D
Your memory will

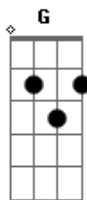

G
Carry on
Em
You'll carry on
C G
And though you're broken and defeated
D
Your weary widow marches on

We'll carry on
We'll carry on
We'll carry on
We'll carry on
We'll carry on

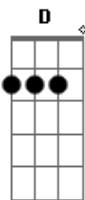

G D
(do or die you'll never make me
Em D
Because the world, will never take my heart
C G
You can try, you'll never break me
D D
You want it all, you wanna play this part)
D D

You want it all, you wanna play this part)
