

Mykhael - Hope beam

Tom: D

Te vejo só, no meio do nada
 pensando em o que fazer, no desespero,
 na falta de esperança, chorando, na solidão.
 mas eu estou aqui para alegrar toda manhã.
 vim libertar você desse fantasma que te persegue dia a dia.
 você não é mais a garotinha de todos.
 agora é uma mulher, suas decisões são repensadas
 então agora fique feliz viva a vida, e caia nos braços
 de quem a ama. quando se sentir sozinha estarei aqui
 a todo momento, para aventurar e sorrir sempre e sempre , - ,

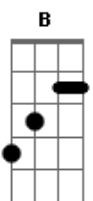

B D A
 I only see in the middle of nowhere
 G Gb Em B
 thinking of what to do, in despair,
