

# MYLE - Not Ready

tom:

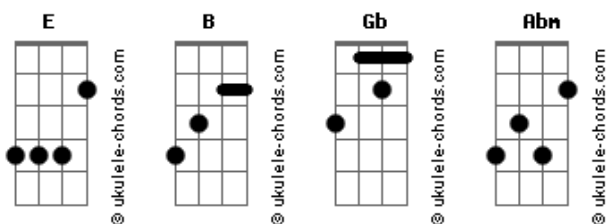

Intro: E B Gb Gb

Oh, I've written it on paper  
 I read the letters out loud  
 When will they lead me to the happy ending?  
 That I've been dreaming about  
 I'll jump and I'll dive in, deep and deeper  
 Giving up more and more no either  
 Feeding my dreams to my believer  
 It's taking it's toll, no

I'm not ready, I'm not ready, no  
 But mark my words, someday this fire will glow  
 All I need is a little time to figure it out  
 Oh, if I don't fall, I'll never know how  
 I'm not ready, I'm not ready, no  
 But someday this fire will glow  
 ( B Gb E B Gb )

I've been living in a daydream  
 I don't know how to get out, yeah  
 I'm obsessing and I'm chasing something  
 I don't know nothing about
