

Myles Smith - Betting On Us

tom: [Primeira Parte]

Tried every chapel, tried talking to Jesus
But all that let me down
Turned to the portal, searching for reasons
But all I found was told 'em in my mind again

[Pré-Refrão]

I thought that I am at my end
But then I saw you walking in
Oh, I, oh, I

[Refrão]

I'm betting on love, betting on us
You know the parts of me that no one else does
I'll give you my heart, give you my trust
Oh, you make me feel a way that no one else does
I'll never let go, I'll never give up
You know, know, know, know
I'm betting on love, betting on us
Mmm, I'm betting on us

[Segunda Parte]

Having hard nights, facing our demons

We will always work it out
On the same side, keeping no secrets
There's no room left for doubting you and I again

[Pré-Refrão]

I thought that I am at my end
But then I saw you walking in
Oh, I, oh, I

[Refrão]

I'm betting on love, betting on us
You know the parts of me that no one else does
I'll give you my heart, give you my trust
Oh, you make me feel a way that no one else does
I'll never let go, I'll never give up
You know, know, know, know
I'm betting on love, betting on us
Mmm, I'm betting on us
[Final]

I'm betting, I'm betting on us
You know, know, know, know
I'm betting, I'm betting on us
Mmm, I'm betting on us
