Intro:  D   Gbm   D   Gbm

       D                        Gbm
You hear my voice call out to you
       D                        Gbm
It takes control, what can you do?
       D              Gbm
Follow me wherever I go
          D              Gbm      A
You don't have to be on your own

D        A      Bm
So hold me forever
         D            A          Bm
Let's stay together, never let me go

D        A      Bm
So hold me forever
         D                A               Bm
I'm lost without you, won't you take me home

        D                  Gbm
At night you reach towards the sky
        D                    Gbm
The world you see inside my eyes
             D                    Gbm
And you know you've been here before
            D                  Gbm      A
Always with me, you're never alone

D        A      Bm
So hold me forever
         D            A          Bm
Let's stay together, never let me go

D        A      Bm
```
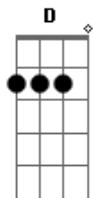

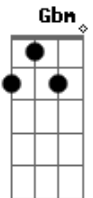

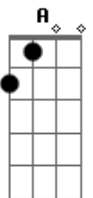

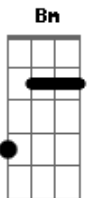

```
So hold me forever
         D                A               Bm
I'm lost without you, won't you take me home
