tom: D

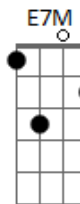

Jesus nasceu, vamos celebrar
 É tempo de comemorar
 Pra libertar e pra nos salvar
 Veio pra nos resgatar

(G A7 D)
 (G A7 D)

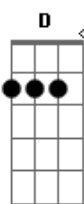

Era uma noite escura
 Na cidade de Belém
 Uma estrela anunciou, a luz do mundo brilhou
 Era esperança para o povo sofredor
 E o grande Pai de amor mandou o Salvador

Um bebê tão pequenino
 Com o mundo em suas mãos
 Glória, glória, aleluia
 Ele é o libertador
 Jesus nasceu, vamos celebrar
 É tempo de comemorar
 Pra libertar e pra nos salvar
 Veio pra nos resgatar

Jesus nasceu, vamos celebrar
 É tempo de comemorar
 Pra libertar e pra nos salvar
 Veio pra nos resgatar (ele veio)
 Veio pra nos resgatar (sim, veio)
 Veio pra nos resgatar
