

# Nada Surf - Blonde On Blonde

Tom: C

## Verse 1

Cats and dogs are coming down  
 14th street is gonna drown  
 everyone's is rushing right  
 I've got blonde on blonde on my portable stereo  
 It's a lullaby from a giant golden radio  
 Verse 2

I've got no time I wanna loose  
 Two people with something to prove  
 What can you do, but let them talk  
 And make your way down the flock  
 3X  
 It's a lullaby from a giant golden radio (2X)  
 It's a lullaby from a wonderwoman's radio(2X)  
 It's a lullaby (6X)
