^B Always searching like it's on junk
^{Dbm} No matter who I hang out with
^E I can hear the clack clunk
^{Abm} Of the chains that pull the cars up
^{Gb} The roller coaster mountain top so high
^E When it comes down it shoots back up
^{Gb} Straight back to the sky
^E I gotta laugh and then i'm asleep
^B And then I walk around and wanna cry
