

# Nahko Bear And Medicine For The People - Wash It All Away

Tom: G

We are part of something special  
 We are part of something special  
 We're a part of something special  
 It's a crack in time

A wrinkle  
 Fallen from the nest, young eagle  
 I will pull my feathers out

Stay humble  
 Stay humble  
 Stay humble  
 Stay humble

Stay humble  
 Uncle Mana taught us like an elder  
 Took asunder older brother  
 He said  
 This is powerful country  
 This is powerful country  
 We felt like we were returning

To our land rebels  
 And the shepherds in the sea  
 Takers are taking what the leavers will leave  
 So grieve me the black prince cicada
