

Najwa Nimri - Push It

tom:

Intro: F C F C

So there was a time I cared about

The way you were trying to get my mind

Now that I am thinking

I just push it for the music in my mind

Yeah, I want to push it to create a new situation in our lives

Now that I am thinking

I just push it for the music in my mind

I just push it for the music in my mind

I just push it for the music in my mind

I just push it for the music in my mind

I feel fine

The rhythm's right here

Fortunately is coming back

Music is not going with your problems

And my problems and you father and my mother

Stay behind

So push it my mind

Push it your mind

Push it for the music in your mind

I push it for the music in my mind

(F C F C)

Push it for the music in your mind

I just push it for the music in my mind

I just push it for the music in your mind

(Push it for the music in my mind)

(Push it for the music in my mind)

(F C F C)

(F F F C)

(F F C)

C

Push it for the music in my mind
