

# Naked Girls And Aeroplanes - Extra Pillow

tom:

**D**

I've waited and waited

And i still don't know

**Bm**

These full-filled store shelves do not feed my soul

**G** **D**

And all i can say is, all i can say is that

**Em** **A**

We're two, we're two

**D**

We're two, yeah we're two spared parts

**Bm**

"Not included" says the toy boxes art

**G** **D**

And all i can think is, all i can think is that

**Em** **A**

We're fools with shopping carts

**Bm** **G**

This extra pillow in my bed

**D** **Em**

Makes me sad, makes me mad

**A**

And all i can say is

**D**

I miss you

(And i don't know you)

**Bm**

I miss you

(And i think of you)

**G**

I miss you

**D** **Em** **A**

(And i dream of you)

**D** **Bm**

I can't eat these toasts i've bought

**G**

I can't hear these two long plays

**D** **Em**

With a full bottle of wine for my half thirst

**A**

Cause i'm not with you

**D**

Supersize french fries and chocolate cake

(I can't eat these toasts i've bought)

**Bm**

This blessed pair of earned wilco tickets came late

(I can't hear these two long plays)

**G** **D** **Em**

We used to make it two, but now it's only me

(I can't eat these toasts i've bought)

**A**

Without you

**Bm** **G**

This extra pillow in my bed

**D** **Em**

Makes me sad, makes me mad

**A**

And all i can say is

**D**

I miss you

(And i don't know you)

**Bm**

I miss you

(And i think of you)

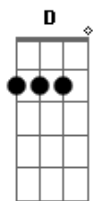

**G**

I miss you

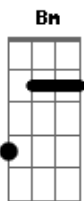

**D** **Em** **A**

(And i dream of you)
