

# Naldo Miranda - Vodka, Solidão e Blues

tom:

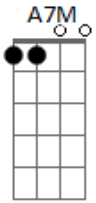

Intro: A7M

Se é descuido ou fantasia  
 Clima vício ou paixão  
 Tudo me seduz, vem e me beija  
 Deixa a minha cara alegre  
 Reescreve o meu dom  
 Que qualquer encanto é tão bom  
 Se não tem razão exata  
 Ouro ou prata tanto faz  
 Prefiro o seu toque

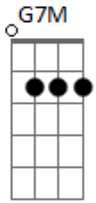

Que sempre me deixa  
 Coisa rara preciosa  
 Jeito que nunca sofreu  
 Que sabe do amor o que esqueceu  
 Mas seu um olhar denuncia  
 Um brilho a mais em nós dois  
 Conta logo pra cidade  
 Que é só uma amizade

Vodka, solidão e blues  
 Vodka, solidão e blues  
 Vodka, solidão e blues
