

# Nan - Gone

Tom: E  
Intro: E A7M

E  
You came to my life  
Like a really good thing  
You became into something  
That I didn't dream  
I wasn't waiting for nothing  
When you just appeared  
Now I need you to love me  
And you disappeared  
I was wondering what I did to let you go  
I was planning to love you a little bit more  
But you're gone  
Gone, gone, gone  
Now you tell me what I do  
With this rest of love

E  
I can't give to anyone  
This mess belong to us
