

Nana Caymmi - A Lua e Eu

tom: A

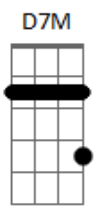

Mais um ano se passou
 E nem sequer ouvi falar seu nome, a lua e eu
 Caminhando pela estrada
 Eu olho em volta e só vejo pegadas
 Mas não são as suas eu sei, eu sei, eu sei
 O vento faz eu lembrar vo__cê

D7M Dm7 Dbm7 Bm7
 As folhas caem mortas como eu
 E7 A7M Gbm7
 Quando olho no espelho
 Dbm7 Bm7
 Estou ficando velho e acabado
 E7 A7M
 Procuro encontrar, não sei onde está você
 A7 A7
 Você, você
 D7M Dm7 A7M Abm7 Gbm7 A7
 O vento faz eu lembrar vo__cê
 D7M Dm7 Dbm7 Bm7 E7
 As folhas caem mortas como eu, a lua e eu, a lua e eu, a lua e eu
