

# Nana Caymmi - A Lua e Eu

tom: A

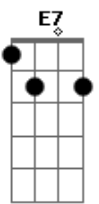

Mais um ano se passou  
 E nem sequer ouvi falar seu nome, a lua e eu  
 Caminhando pela estrada  
 Eu olho em volta e só vejo pegadas  
 Mas não são as suas eu sei, eu sei, eu sei  
 O vento faz eu lembrar vo\_\_cê

D Dm Dbm Bm  
 As folhas caem mortas como eu  
 E7 A Gbm  
 Quando olho no espelho  
 Dbm Bm  
 Estou ficando velho e acabado  
 E7 A  
 Procuro encontrar, não sei onde está você  
 A7 A7  
 Você, você  
 D Dm A Abm Gbm A7  
 O vento faz eu lembrar vo\_\_cê  
 D Dm Dbm Bm E7  
 As folhas caem mortas como eu, a lua e eu, a lua e eu, a lua e eu
