

Nana Caymmi - Fascinação

Tom: F

Os sonhos mais lindos sonhei
 De quimeras mil um castelo ergui
 E no teu olhar, tonto de emoção
 Com sofreguidão mil ven-turas previ
 O teu corpo é luz, sedução

Poema divino cheio de esplendor
 Teu sorriso prende, ine-bria e entontece
 És fascinação, amor
 "Os sonhos mais lindos sonhei"
 "De quimeras mil um castelo ergui"
 "E no teu olhar tonto de emoção"
 "Com sofreguidão mil ven-turas previ"
