

# Nancy Sinatra - Bang Bang

Bang Bang

**Am**  
I was five and he was six  
**Dm**  
We rode on horses made of sticks  
**G**  
He wore black and I wore white  
**E7**  
He would always win the fight

(chorus)

**Am**  
Bang bang  
**Dm**  
He shot me down bang bang  
**G**  
I hit the ground bang bang  
**E7**  
That awful sound bang bang  
**Am**  
My baby shot me down

**Am**  
Seasons came and changed the time  
**Dm**  
When I grew up I called him mine  
**G**  
He would always laugh and say  
**E7**  
Remember when we used to play

**Am**

Bang bang

**Dm**  
I shot you down bang bang  
**G**  
You hit the ground bang bang  
**E7**  
That awful sound bang bang  
**Am**  
I used to shoot you down

**Am**  
Music played and people sang  
**G**  
Just for me the church bells rang

**Am**  
Now he's gone I don't know why  
**Dm**  
And till this day some times I cry  
**G**  
He didn't even say goodbye  
**E7**  
He didn't take the time to lie

**Am**  
Bang bang  
**Dm**  
He shot me down bang bang  
**G**  
I hit the ground bang bang  
**E7**  
That awful sound bang bang  
**Am**  
My baby shot me down
