

Nancy Wilson - It Never Entered My Mind

Tom: F

Intro: F

Once i laughed when i heard you saying
That i'd be playing solitaire
Uneasy in my easy chair
It never entered my mind
Once you told me i was mistaken
That i'd awoken with the sun
And ordered orange juice for one
It never entered my mind
You have what i lack, myself

And now i even have to scratch my back myself
Once you warned me that if you scorned me
I'd sing the maiden's prayer again,
And wish that you were there again
To get into my hair again, it never entered my mind
Interlude:
Once you warned me that if you scorned me
I'd sing the maiden's prayer again
And wish that you were there again
To get into my hair again, it never entered my mind
