Neguinha trás o conga pra gente dançar

Bate forte esse atabaque capoeira eu vou jogar

Torrão que arde forte e faz suar

Nas terras de sertanejo preto véio é Cajará

Dança de negro, no sertão todo mundo gosta

E assim vou rompendo a aurora

Percorrendo o meu baião

Na gira as raízes fortes do meu norte

Meu sertão, meu pé de serra

Vou cantando o meu rojão

Um preto faz quizomba no terreiro

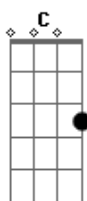

Lá no pé do juazeiro, oferendas vou deixar

Meu santo me protege ele é forte

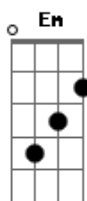

Sou matuto lá do norte

Preto véio sarava
