

# Nando Borges - Alquimia Dendê

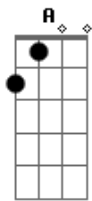

tom:

A

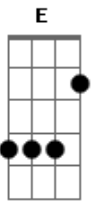

A gente se toca, a gente se pega, tem química  
 A gente se roga, a gente se rega, a gente fica  
 A gente se tranca, se tranca, se tranca, no intimo  
 A gente se chama, a gente se ama no ritmo  
 A gente se joga, a gente provoca um incêndio  
 A gente se embola, com a gente não rola silencio

A gente se acha, a gente viaja e sonha  
 A gente não tem vergonha  
 Alquimia dendê  
 Mainha me dê  
 Um copinho de leite de coco, um pouco de pimenta  
 Alquimia dendê  
 Sou eu e você  
 Na panela, no fogo, no jogo, no bolo  
 Experimenta
