

# Nando Cordel - De Volta Para o Aconchego

Tom: D

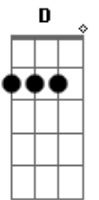

Estou de volta pro meu aconchego  
 Trazendo na mala bastante saudade  
 Querendo  
 Um sorriso sincero, um abraço,  
 Para aliviar meu cansaço  
 E toda essa minha vontade  
 Que bom,  
 Poder tá contigo de novo,

Roçando o teu corpo e beijando você,  
 Prá mim tu és a estrela mais linda  
 Seus olhos me prendem, fascinam,  
 A paz que eu gosto de ter.  
 É duro, ficar sem você  
 Vez em quando  
 Parece que falta um pedaço de mim  
 Me alegre na hora de regressar  
 Parece que eu vou mergulhar  
 Na felicidade sem fim.
