

Nando Cordel - Viver Em Paz

Tom: A

m

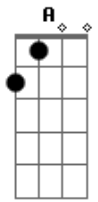

Vamos viver em paz
 Não suporto mais tanta confusão
 Quem semeia desamor
 Colhe tempestade no seu coração

A gente tá passando um tempo

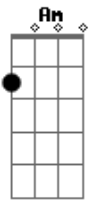

Aqui nessa terra aprendendo a amar
 De onde agente veio?
 Pra onde agente vai?
 É bom agente pesquisar

Quem faz o mal sempre se quebra
 É hora da gente entender
 Eu só vou ter felicidade
 Na hora que amar você
