

# Nando Mendes - Vou Abraçar Teu Mundo

Tom: A

m <sup>C</sup> <sup>C</sup>  
 Hoje eu sei que foi bom esperar

No teu coração, o meu lugar

Agora serei sempre teu

É impossível não querer dividir

A minha vida contigo

Am

Pois foi o céu que enviou você

Não vou me cansar

De te amar e dizer te amo

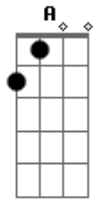

Em cada manhã

Vou despertar e realizar teus sonhos

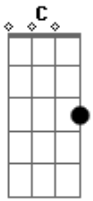

Vou abraçar teu mundo

E ser feliz
