

# Nando Reis - Sim

Tom: D

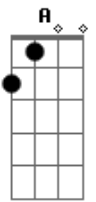

Sim, desde que eu te vi eu te quis  
 Eu quis te raptar  
 Eu fiz um altar  
 Pra te receber  
 Como um anjo  
 Que caiu lá do céu  
 Não estava voando, andando distraiu-se

(refrão)  
 Sim, e agora  
 Eu quero voltar lá do céu  
 Eu quero estar de volta  
 Eu quero ter você quando estiver de volta  
 Eu quero você para mim  
 Não dou,  
 Pra ficar só  
 Sim, não dou, não
