Yo ya se que pa cantar a mi se me complica  
Pero bueno me pongo las pilas  
Que al lado tengo esta chica  
Hace rato yo quería escribirte algo  
Pero sería raro escribirte  
Y vos misma cantarlo  
Entonces yo abro toda mi alma  
Pido que la mente se me abra  
Y paciencia porque yo escribo  
Y vos ayudas con estas palabras  
Ahora dejame decirte  
Por vos tengo las mejores cosas que existen  
Gracias por mostrarme el amor  
Que tengo aca adentro  
Yo creo, lucho, sueño  
Y con vos las fuerzas encuentro

E A C  
They would say:  
C D A  
"Heads up, get up, get up, stand up"  
E A C  
And they would go:  
C D A  
"Heads up, get up, get up, stand up"  
E A C  
And they would say:  
C D A  
"Heads up, get up, get up, stand up"  
E A C D A  
Put your hands up

E A C  
We're all in this together  
C D A  
And we will never surrender  
E A C  
Even if we're distant  
C D A  
Love will last forever
