

Napkin - Stay Strong

tom:

Intro: F Am F

F G Am
Life's course is but a path
Sometimes it takes you back

F G
Just so you can start again

Am
Welcome to your new day

F G Am
Life has given you a second chance

G F
You have been born again

G
Do whatever you want

Am
Welcome to your new life

F Am
You know you have the power inside of you

F
Look for it now, you're just getting started

Am
You're gonna figure it out somehow

F G Am
And here we go again

Em F
Stay strong believing

G
Cause even being a wreck

Am Em F Am
We're never done in, never done in

F G
What kills you is not the beating of your heart

Am G
It's what prevents you from living those beats

F G
You know there's no beauty in death

Am

Welcome to your new life

F G Am
You know you have the power inside of you

G F
Look for it now, you're just getting started

G Am
You're gonna figure it out somehow

F G Am
And here we go again

Em F
Stay strong believing

G
Cause even being a wreck

Am Em
We're never done in, never done in

(F G Am Em F)

F
The world gets better

G Am
When you see it through the kindness

Em
Look through this lens

F G Am
Change your world, and change your life once again

Em F G Am Em F G Am Em F
It's up to only you

[Refrão]
