

# Nasce Uma Estrela (A Star Is Born) - Always Remember Us This Way

Tom: G

That Arizona sky burning in your eyes  
 You look at me and, babe, I wanna catch on fire  
 It's buried in my soul like California gold  
 You found the light in me that I couldn't find

So when I'm all choked up  
 But I can't find the words  
 Every time we say goodbye  
 Baby, it hurts

When the sun goes down  
 And the band won't play  
 I'll always remember us this way

Lovers in the night  
 Poets trying to write  
 We don't know how to rhyme  
 But, damn, we try  
 But all I really know  
 You're where I wanna go  
 The part of me that's you will never die

So when I'm all choked up  
 But I can't find the words  
 Every time we say goodbye  
 Baby, it hurts  
 When the sun goes down  
 And the band won't play  
 I'll always remember us this way  
 Oh, yeah  
 I don't wanna be just a memory, baby, yeah

So when I'm all choked up  
 But I can't find the words  
 Every time we say goodbye  
 Baby, it hurts  
 When the sun goes down  
 And the band won't play  
 I'll always remember us this way  
 When you look at me  
 And the whole world fades  
 I'll always remember us this way
