

Nat King Cole - A Nightingale Sang In Berkeley Square

Tom: G

G Em Bm G7
That certain night, the night we met,
C B7 Em B
There was magic abroad in the air;
G D7 G7 Cm
There were angels dining at the Ritz
G Em Am7 D7 G Em Am7
D7
And a nightingale sang in Berkeley Square.

I may be right, I may be wrong,
But I'm perfectly willing to swear
That when you turned and smiled at me
G Em Am7 D7 G Em Em Gb7
A nightingale sang in Berkeley Square.

Bridge 1:

B7 C#m7- Gb7
The moon that lingered over London town --
Bm Gdim C#m7- Gb7
Poor, puzzled moon, he wore a frown.
B7 C#m7- Gb7
How could he know we two were so in love
Bm Gdim Am7 D
The whole darn world seemed upside down.

The streets of town were paved with stars,
It was such a romantic affair.
And as we kissed and said "Good-bye,"

A nightingale sang in Berkeley Square.

How strange it was, how sweet and strange;
There was never a dream to compare
With that hazy, crazy night we met
When a nightingale sang in Berkeley Square.

This heart of mine beat loud and fast,
Like a merry go round at the fair;
For we were dancing cheek to cheek
And a nightingale sang in Berkeley Square.

Bridge 2:

When dawn came stealing up all gold and blue
To interrupt our rendezvous,
I still remember how you smiled and said,
"Was that a dream or was it true?"

Our homeward step was just as light
As the tap-dancing feet of Astaire,
And like an echo, far away,
G Em Am7 D7 G Em
A nightingale sang in Berkeley Square.

Coda:

Am7 D7 Dm E7
I know 'cause I was there
C C Cm D7 G Em Cm Cm7- G
That night in Berkeley Square.
