

# Nat King Cole - A Nightingale Sang In Berkeley Square

Tom: G

**G** **Em** **Bm** **G7**  
 That certain night, the night we met,  
**C** **B7** **Em** **B**  
 There was magic abroad in the air;  
**G** **D7** **G7** **Cm**  
 There were angels dining at the Ritz  
**G** **Em** **Am** **D7** **G** **Em** **Am** **D7**  
 And a nightingale sang in Berkeley Square.

I may be right, I may be wrong,  
 But I'm perfectly willing to swear  
 That when you turned and smiled at me  
**G** **Em** **Am** **D7** **G** **Em** **Em** **Gb7**  
 A nightingale sang in Berkeley Square.

Bridge 1:

**B7** **C#m-** **Gb7**  
 The moon that lingered over London town --  
**Bm** **Gdim** **C#m-** **Gb7**  
 Poor, puzzled moon, he wore a frown.  
**B7** **C#m-** **Gb7**  
 How could he know we two were so in love  
**Bm** **Gdim** **Am** **D**  
 The whole darn world seemed upside down.

The streets of town were paved with stars,  
 It was such a romantic affair.  
 And as we kissed and said "Good-bye,"

A nightingale sang in Berkeley Square.

How strange it was, how sweet and strange;  
 There was never a dream to compare  
 With that hazy, crazy night we met  
 When a nightingale sang in Berkeley Square.

This heart of mine beat loud and fast,  
 Like a merry go round at the fair;  
 For we were dancing cheek to cheek  
 And a nightingale sang in Berkeley Square.

Bridge 2:

When dawn came stealing up all gold and blue  
 To interrupt our rendezvous,  
 I still remember how you smiled and said,  
 "Was that a dream or was it true?"

Our homeward step was just as light  
 As the tap-dancing feet of Astaire,  
 And like an echo, far away,  
**G** **Em** **Am** **D7** **G** **Em**  
 A nightingale sang in Berkeley Square.

Coda:

**Am** **D7** **Dm** **E7**  
 I know 'cause I was there  
**C** **C** **Cm** **D7** **G** **Em** **Cm** **Cm-** **G**  
 That night in Berkeley Square.

## Acordes
