

# Nat King Cole - Around The World

Tom: G

(intro) G7M Abdim Am7/11 Ab7 G7M Abdim Am7/11 Ab7

G D7 G G  
 Around the world I've searched for you;  
 G Fdim  
 I traveled on when hope was gone  
 Am7 D7  
 To keep a rendezvous.  
 Am7 D7 Am7 D7  
 I knew somewhere, sometime, somehow,  
 Am D

You'd look at me and I would see  
 G G D7  
 The smile you're smiling now.  
 G D7 G G  
 It might have been in County Down,  
 G Fdim  
 Or in New York, or gay Paree,  
 Am  
 Or even London town.  
 C Gdim G Bm7 E  
 No more will I go all around the world  
 Am7 D7 G  
 For I have found my world in you.
