

Nat King Cole - Ask Me

Tom: G

Ask me if I love you,
 Ask how much I care;
 Count the stars above you,
 The answer is there.
 Ask how much I need you,
 Darling, I'd reply,

"Can you count the ripples in streams passing by?"
 Ask me if I'd miss you,
 If our dreams fell through
 Would the summer roses miss the morning dew?
 Ask me if I'll love you
 When years have flown away
 Darling, I will love you much more than today
