

# Nat King Cole - Impossible

Tom: C

C Am7 D7 D7 G G E7  
 If they had ev - er told me  
 Am7 Cdim D Bm7- E7  
 How sweet a kiss could be,  
 C C Am7 Cdim G G Em7  
 I would have said, "Im - pos - si - ble,  
 Am7 Cdim D7 G E  
 Im - pos - si - ble for me."

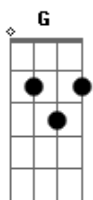

C Am7 D7 D7 G G E7  
 And if they said I'd find you  
 Am7 Cdim D Bm7- E7  
 Beyond the rain - bow's end,  
 C C Am7 Cdim G G Em7  
 I would have said, "Im - pos - si - ble,  
 Am7 Cdim G  
 Im - pos - si - ble, my friend."

(ponte)

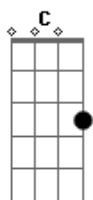

Fdim Am7 D7 D G G Em7  
 To dream about what might have been  
 Am7 D G  
 Is strange enough for me;  
 Cdim B7 D7 G  
 But now it seems I'm living in  
 E Bm7- Cdim D D7  
 A dream too beau - ti - ful to be.

C Am7 D7 D7 G G E7  
 If they had said a moonbeam  
 Am7 Cdim D Bm7- E7  
 Could calm a stor - my sea,  
 C C Am7 Cdim G G Em7  
 I would have said, "Im - pos - si - ble,  
 Am7 D7 Bm7- E7  
 But now at last I see  
 C C Am7 Cdim G G Em7  
 That nothing is im - pos - si - ble  
 Am7 A7 D7 G  
 If you are here with me.
