

Nat King Cole - Impossible

Tom: C

C Am D7 D7 G G E7
 If they had ev - er told me
 Am Cdim D Bm- E7
 How sweet a kiss could be,
 C C Am Cdim G G Em
 I would have said, "Im - pos - si - ble,
 Am Cdim D7 G E
 Im - pos - si - ble for me."

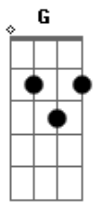

C Am D7 D7 G G E7
 And if they said I'd find you
 Am Cdim D Bm- E7
 Beyond the rain - bow's end,
 C C Am Cdim G G Em
 I would have said, "Im - pos - si - ble,
 Am Cdim G
 Im - pos - si - ble, my friend."

(ponte)

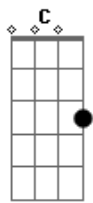

Fdim Am D7 D G G Em
 To dream about what might have been
 Am D G
 Is strange enough for me;
 Cdim B7 D7 G
 But now it seems I'm living in
 E Bm- Cdim D D7
 A dream too beau - ti - ful to be.

C Am D7 D7 G G E7
 If they had said a moonbeam
 Am Cdim D Bm- E7
 Could calm a stor - my sea,
 C C Am Cdim G G Em
 I would have said, "Im - pos - si - ble,
 Am D7 Bm- E7
 But now at last I see
 C C Am Cdim G G Em
 That nothing is im - pos - si - ble
 Am A7 D7 G
 If you are here with me.
