

# Nat King Cole - Nature Boy

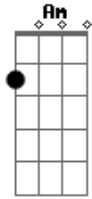

Tom: C

There was a boy, a very strange enchanted boy.  
 They say he wandered very far, very far,  
 Over land and sea;  
 A little shy and sad of eye, but very wise was he.  
 And then one day, a magic day he passed my way;

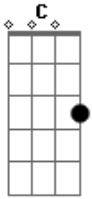

And while we spoke of many things, fools and kings,

This he said to me,  
 "The greatest thing you'll ev - er learn  
 Is just to love and be loved in re - turn."  
 "The greatest thing you'll ev - er learn  
 Is just to love and be loved in re - turn."
