

Nat King Cole - Nature Boy

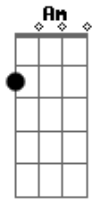

Tom: C

There was a boy, a very strange enchanted boy.
 They say he wandered very far, very far,
 Over land and sea;
 A little shy and sad of eye, but very wise was he.
 And then one day, a magic day he passed my way;

And while we spoke of many things, fools and kings,

This he said to me,
 "The greatest thing you'll ever learn
 Is just to love and be loved in re - turn."
 "The greatest thing you'll ever learn
 Is just to love and be loved in re - turn."
