Nat King Cole - Pretend

Tom: C

```
   (intro) C  Dm7  G7

             G7    G7        C    B7    C
Pretend you're happy when you're blue;
         C         Dm    A7    Dm
It isn't very hard to do
              F         Dm7    G7
And you'll find happiness without an end
    F    G7    C    B7    G7
Whenever you pretend.

           G7 G7      C    B7    C
Remember anyone can dream,
          C         Dm    A7    Dm
And nothing's bad as it may seem;
          F        Dm7    G7
The little things you haven't got
      F    G7        C    Dm7    C
Could be a lot if you pretend.

(ponte)
                Em              F
You'll find a love you can share,
```

```
          Cdim          C    G7    C
One you can call all your own;
       Am      B7      Gbm7      B7
Just close your eyes, she'll be there --
           Em    Cdim    G7
You'll never be alone.

             G7       G7 C    B7    C
And if you sing this melody,
              C         Dm   A7    Dm
You'll be pretending just like me.
            F         Dm7        G7
The world is mine, it can be yours, my friend,
       F        G7 G7  C       Cdim      G7
So why don't you pretend?

             G7       G7 C    B7  C
And if you sing this melody,
              C         Dm   A7    Dm
You'll be pretending just like me.
            F         Dm7          G7
The world is mine, it can be yours, my friend,
       F     G7  G7  C       Cdim       C
So why don't you pretend?
