

# Natal Luz de Gramado - Aqui a Magia É Real

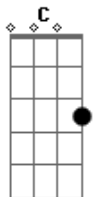

Tom: C

A magia nasce  
 Dentro do seu coração  
 E transforma a cidade  
 Num mundo de imaginação  
 Cada luz que acende  
 Começa de um sonho encantado  
 E assim surge o mais lindo  
 Natal Luz de Gramado  
 Pinheirinhos, presentes  
 Noel e ruas decoradas  
 É o amor que emana

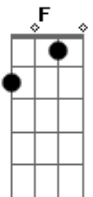

De uma cidade iluminada

A luz do Natal  
 Brilha para mim  
 A Luz do Natal  
 De um Natal Feliz  
 Todos se tornam crianças  
 A cidade inteira reluz  
 A fé que carrega no peito  
 Dá vida ao Natal Luz  
 A luz do Natal  
 Brilha para mim  
 A Luz do Natal  
 De um Natal Feliz
