When you're ^{Am} home alone and silence catches you
 And he's not around ^G

 You feel so lonely about his side ^E
 Do you feel safe when he's asleep? ^{Am}
 Do you change your mind? ^G
 Does he let you speak?
 Does he understand any single beat ^F
 Of the agony that you keep inside ^{Dm} ^E
 Does your freedom mean the same as his? ^{Am}
 Can you count the times that you want to cry ^G
 When you wake up by his side ^F
 Do you wish you hadn't been that kind? ^E
 Cause the world is full of bad men, girl ^F ^{Am}
 And bad men can't love ^G
 Cause the world is full of bad men, girl ^F ^{Dm}
 And bad men can't love ^E

Bad men can't love, bad men can't love, bad can't love x2 ^{Am} ^G ^F

 Does he make your legs go weak? ^F
 Is it pleasure or is it fear? ^E
 Is your voice as loud as it used to be? ^{Am}
 Can you bring back the last memory ^G
 Of your pretty smile being twice as big ^F
 As it seems to be right in front of me ^E
 Is his appetite worth your plans? ^{Am}
 Do your teardrops fall as fast as his pants? ^G
 Does he ever sing a sweet lullaby ^F
 To this broken girl with a broken smile? ^{Dm} ^E
 Cause the world is full of bad men, girl ^F ^{Am}
 And bad men can't love ^G
 Cause the world is full of bad men, girl ^F ^{Dm}
 And bad men can't love ^E
 Bad men can't love, bad men can't love, bad can't love x3 ^{Am} ^G ^F
