

Natalia Lacunza - Fire & Gasoline

Tom: B

(forma dos acordes no tom de G)

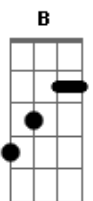

Capostrate na 4ª casa

Intro: F Am G F

Am I don't know what am I doing wrong
 Am It's always hard for me to stay
 Am Waiting for another chance
 That keeps me from running away
 It's always hard for me to stay
 Am There must be poison in my veins
 Am You've always been so kind and gentle
 Am We've build a house for us to live
 You left your soul in every brick
 But I don't feel any better
 I live in fire and gasoline
 I burn within, with all the lies I want to believe
 You got too close, I let you in
 Such a fool I was. oh, oh

Such a fool I was. oh, oh
 Am I know your heart is on the floor
 Am And so is mine, but what can I do?
 Am I'm sorry for the things I didn't say
 And for the ones I never felt
 I was bleeding right behind you
 I live in fire and gasoline
 I burn within, with all the lies I want to believe
 You got too close, I let you in
 I live in fire and gasoline
 I burn within, with all the lies I want to believe
 You got too close, I let you in
 Such a fool I was. ooh, ooh
 Such a fool I was. ooh, ooh
 I live in fire and gasoline
 I burn within, with all the lies I want to believe
 You got too close, I let you in
