

Natalie Imbruglia - Beauty On The Fire

Tom: D

Written by: Imbruglia, Clark, Wilder

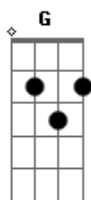

Here it comes again
 Cannot out run my desire
 Cover my decent
 And throw the beauty on the fire
 Drawn towards the edge
 Do I assume I could fly
 Every secret shared
 Why do I drink the feelings dry

Don't go too far
 Limitation scars
 Tonight, could I be lost forever
 To drown, my soul in Sensory
 Pleasure, Sensory, pleasure
 (verso2, mesmo do 1)
 Here it comes again
 You raise the bar even higher
 I cannot catch my breath
 So throw the beauty on the fire
 Dont push too hard
 Limitation scars
