

Natalie Imbruglia - Shiver

Tom: C

[intro x2]

C G E

[Verse 1]

I walk a mile with a smile

I don't know I don't care

Where I am, but I know it's alright,

Jump the tracks can't get back

I don't know anyone round here,

But I'm safe this time

'Cause when you....

Tell me, tell me, tell me,

Stupid things,

like you do,

Yes I..

have to, have to, have to,

Change the rules,

I can't lose

[Chorus]

'Cause I shiver

I just break up

When I'm near you

It all gets out of hand

Yes I shiver

I get bent up

There's no way back

I know you'll understand

F (remove finger to leave fourth string open)

[Verse 2]

We talk and talk round it all

Who'd of thought, we'd end up here

But I'm feeling fine

In a rush never trust you'll be there

If I'd only stop

and take my time

'Cause with you....

Im running, running, running, somewhere

I.. can't get to,

Yes I... have to, have to, have to,

Change the rules

I'm with you

[Chorus]

'Cause I shiver

I just break up

When I'm near you

It all gets out of hand

Yes I shiver

I get bent up

There's no way back

I know you'll understand

F

[Bridge]

What if you get off at the next stop

Would you just wave as I'm drifting off

And if I never saw you again

Could I keep all of this.... inside
