

# Natalie Imbruglia - Wishing I Was There

Tom: **Bb**

Take your Hand <sup>F</sup>  
 And place it in my pocket <sup>Eb</sup>  
 Flick your eyes back in their sockets <sup>F</sup>  
 Put those thoughts away <sup>F</sup>  
 Sometimes they're much to loud <sup>F</sup>  
 I'll take a breath <sup>F</sup>  
 And cradle your sweet head <sup>Eb</sup>  
 Should've stayed at home in bed <sup>Bb</sup>  
 Put that face away <sup>F</sup>  
 I'm melting for you <sup>F</sup>

Refrão:

I know, I get cold <sup>Bb Dm</sup>  
 Cos I can't leave things well alone <sup>F</sup>  
 Understand I'm accident prone <sup>F</sup>  
 Me, I get free <sup>Bb Dm</sup>  
<sup>Eb F</sup>

Every night the moon is mine <sup>F</sup>  
 But when the morning comes <sup>Eb</sup>  
 Don't say you love me <sup>Bb</sup>  
 Don't say you need me <sup>F</sup>  
 I really don't think that's fair <sup>F</sup>  
 Boy I'm not so dumb <sup>Eb</sup>  
 But when you leave me <sup>Bb F</sup>  
 I'll be wishing was I, wishing I, wishing, I was there <sup>F Eb</sup>  
 I dreamt about another girl in bed with you <sup>F Eb</sup>  
 You just laughed and smiled <sup>Bb</sup>  
 Denied the proof <sup>F</sup>  
 We're fine till I think of the problem <sup>F</sup>  
 I wish it made sense <sup>Eb</sup>  
 Like a joke that no one gets <sup>Bb</sup>  
 It's a life without regret <sup>F</sup>  
 I want to fell that way, forever and ever

## Acordes
