G Bm Em C
G D Em C

G
I have to keep reminding myself

D
I'm not like anyone else

Em
That's my face on my ID

C
That makes me V.I.P

G
No one exactly like this

D
No one with my fingerprints

Em
No one can touch you like me

C
No I can't fake what you see

G D
They told me: "Girl, to get you're way, you've got to be a bitch!"

Em C
They say: "A guy won't get the girl, if he's not filthy rich!"

G
You start with little changes

D
'Til you don't know who you are

Em
Surround yourself with friends

C
Who only call you a superstar

G D Em
Oh yeah (oh yeah), oh yeah(oh yeah), oh yeah (oh yeah)

C
(But you don't know who you are)

G
The sky is the limit

D
And I just wanna flow

Em C
Free as a spirit on a journey of hope

G D
Cut the strings and let me go

Em C
I'm weightless, I'm weightless

G D
Millions of balloons heading to the ground

Em C
Weight of the world tries to hold us down

G D
Cut the strings and let me go

Em C G
I'm weightless, I'm weightless

D Em C2
I'm weightless, I'm weightless, I'm weightless

G
All the things I held in my fist

D
If I don't let go, I don't exist

Em
They've become the things that define me

C2
How I look and the things to buy me

G
That's not important anymore

D
I feel me rising off the floor

Em C2
Light as a feather, I'm carefree

I'm weightless

G

The sky is the limit

D
And I just wanna flow

Em C2
Free as a spirit on a journey of hope

G D
Cut the strings and let me go

Em C2
I'm weightless, I'm weightless

G D
Millions of balloons heading to the ground

Em C
Weight of the world tries to hold us down

G D
Cut the strings and let me go

Em C G
I'm weightless, I'm weightless

G D
I'm weightless

Em C
I'm weightless

G D
They told me: "Girl, to get you're way, you've got to be a bitch!"

Em C
They say: "A guy won't get the girl, if he's not filthy rich!"

G
It seems to me that's so heavy

D
And weighs you down like lead

Em
Don't wanna be someone I hate

C
That don't make no sense

G
The sky is the limit

D
And I just wanna flow

Em C
Free as a spirit on a journey of hope

G D
Cut the strings and let me go

Em C
I'm weightless, I'm weightless

G D
Millions of balloons heading to the ground

Em C
Weight of the world tries to hold us down

G D
Cut the strings and let me go

Em C
I'm weightless, I'm weightless

G
(The sky is the limit)

D
(And I just wanna flow)

Em C
I'm weightless, I'm weightless
(Free as a spirit on a journey of hope)

G D Em
Oh yeah, (oh yeah), oh yeah, (oh yeah), oh yeah, (oh yeah)

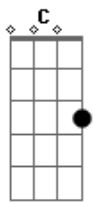

C
I'm Weightless

G D Em

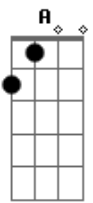

C
I'm free as a spirit

G D Em C
