Tom: Db

(com acordes na forma de
Capostrate na 1ª casa

C) i am nothing without love

C) i'm but a ship stuck in the sand

C) some would say that i'm all alone

But i am, i'm nothing without love

C) I am nothing without love

C) I'm but a ship stuck in the sand

C) Some would say that i'm all alone

But i am, i'm nothing without love

C) I wanna hold her in my arms

C) But she feeling low, she feeling sad

C) I would take credit for what's wrong

F C C F C C F C

But i am, i'm nothing without love

C) Three years at sea after the storm

C) On this sinking ship that love had put me on

F) God, i wish a gust of wind would come and carry me home

But i, i got nowhere to go

C) Now here you show up, with the force of a wave

G) And so i'm setting my sail, i'm headed for the empire state

F) Hey, hey, i don't want to lose this one, she make me feel whole

F C C) You know i am, i'm nothing without love

C) F C

Oh, baby, show me a sign

F C) Send up a signal that everything's fine

C) Come on, slide up right here by my side

G) You know that i, i want to rest in your light

C) Na, na, na, hey

F) Na, na, na, oh, oh

C) Na, na, na, hey

G) Na, na, na, oh, oh

C) Na, na, na, hey

G) Na, na, na, oh, oh (i wanna rest in your light)

C) Na, na, na, hey

F) Na, na, na, oh, oh

C) Na, na, na, hey

G) Na, na, na, oh, oh

C) Na, na, na, hey

F) I am nothing without love

C) I'm just these palms without a pair

C) And i would take credit for this all

C) But i, i am, i'm nothing without love

C) Baby, show me a sign

C) Send me a signal that everything's fine

F) Oh, just come on, come on, come on, come on, right by my side

G) Don't you know that i, don't you know that i

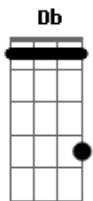

G) I wanna rest in your light

Am G F) i wanna rest in your light

Am G F) i wanna rest in your light

C) 'cause i am, i'm nothing without love
