

# Nathalia Bellar - Roupa no Varal

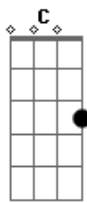

tom:

Intro: C G C

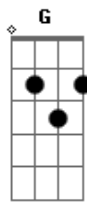

A saia balança  
 As roupas bailam  
 Se ela estende no varal de náilon  
 Se ela estende roupa no varal  
 Vestido, blusa, o vento veste sutiã  
 No varal de náilon  
 Na manhã árida do bairro

É, as nossas roupas bailam  
 Trocam botões e babados  
 Elas vão se cruzar logo mais  
 Quando a gente se encontrar  
 Nossas roupas vão sair pra jantar  
 Nos levar pra dançar  
 E depois ficar à sós  
 Suadas no tapete, esquecidas de nós  
 É, as nossas roupas bailam  
 Se ela estende roupa no varal
