

Nathalia Bellar - Roupa no Varal

tom:

Intro: C G C

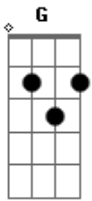

A saia balança
 As roupas bailam
 Se ela estende no varal de náilon
 Se ela estende roupa no varal
 Vestido, blusa, o vento veste sutiã
 No varal de náilon
 Na manhã árida do bairro

É, as nossas roupas bailam
 Trocam botões e babados
 Elas vão se cruzar logo mais
 Quando a gente se encontrar
 Nossas roupas vão sair pra jantar
 Nos levar pra dançar
 E depois ficar à sós
 Suadas no tapete, esquecidas de nós
 É, as nossas roupas bailam
 Se ela estende roupa no varal
