

# Nathaniel Rateliff - Oil & Lavender

Tom: B

(forma dos acordes no tom de G)  
Capostrate na 4ª casa

[Primeira Parte]

Am D  
And being outside your wisdom  
G Em  
And stretching the truth  
Am D  
I was the oil and lavender  
G Em  
But never for you  
Am D  
You had to toil and sit in  
G Em  
The sun browned your skin  
Am D  
It burned all the alabaster  
G Em  
Till the ask choked the wind

[Refrão]

Am D  
They say it's the longest light  
G Em  
To ever have shown  
Am D  
They say it's the longest lie  
G Em  
And that nobody knows  
Am D  
They say it's the longest lie

G Em  
And I still taste the smoke

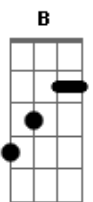

[Segunda Parte]

Am D  
Now only ungrateful remember  
G Em  
To sleep in the stone  
Am D  
With all of your grace and thunder  
G Em  
The roll and the boom  
Am D  
I was the cloak and dagger  
G Em  
That snuck into you  
Am D  
And we have but one (left? /life?) finger  
G Em  
That's pointing at us

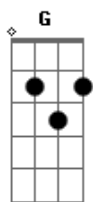

[Refrão]

Am D  
And that would be the longest night  
G Em  
That chilled \_\_\_ to bone  
Am D  
That would be the longest night  
G Em  
To sleep here alone  
Am D  
That would be the longest night  
G G Em  
I think you'd be warmer closer to me
