[Primeira Parte]

When I wake up in the morn  
And I?m gonna tell  
I was standing looking backward in and out  
He said there?s room enough to crampen in the crowd  
No movement here  
No friends to break us out  
Stop breathing or we?ll just swim fast

[Refrão]

Oh I don?t know  
Oh I don?t know  
Oh I don?t know  
Oh I don?t know  
Oh I don?t know a goddamn thing

[Segunda Parte]

Then these moments I forget to tell myself  
And if you?re rolling in it long enough  
Your shit won?t even smell

Is there no one I can trust to point it out  
Well I can hardly breathe right here  
I was spitting on myself  
When I wake up in the morn and I?m gonna tell

[Refrão]

Oh I don?t know  
Oh I don?t know  
Oh I don?t know  
Oh I don?t know  
Oh I don?t know a goddamn thing  
( Abm B E )  
( Abm B E )

[Ponte]

This wound?s gonna cancel me out  
This wound?s gonna cancel me out  
This wound?s gonna cancel me out  
This wound?s gonna cancel me out  
( Gb E Gb E )

[Refrão Final]

Oh I don?t know  
Oh I don?t know  
Oh I don?t know  
Oh I don?t know a goddamn thing
