

# Nathaniel Rateliff - We Never Win

Tom: **G**

He's a manic boy **Bm**  
 Looks a lot like me **G**  
 Looks a lot like me **Em**  
 And he shares the blame **Bm**  
 With a younger face **G**  
 That's hard and rushed to see **Em**  
 And it's hard for us to see **Bm**  
 But I can tell  
 Is it cold enough

Does it chatter your teeth **G**  
 And the wind won't set you free **Em**  
 And it never has **Bm**  
 Like an old time re-vi-val **D Gb Bm Gb**  
 Shake your hands **G A**  
 And shake your hips **Bm**  
 Put up all my armor **D Gb Bm Gb**  
 Let me stand bare **G A**  
 With just two fist **Bm**

## Acordes
